About Us

The origin of Balaji Spinning Mills dates back to 1994. As a customer-preferred manufacturer and wholesaler, our company has obtained a huge financial growth in all these the years. We have put all our efforts and have worked consistently in order to improve the quality of our products with each passing day. Today, we have become one of the fastest growing manufacturers in the home textile industry for offering unmatched quality of blankets, fabrics and similar products. The entire range is created as per the defined industry standards as well as norms. Our organization operates from the prime location of Panipat, Haryana, India and thus possess a state-of-the-art unit to manufacture diverse products in gorgeous looks, shades and designs. Our offered gamut of fabrics is broadly used in textile industries, households and other areas to fabricate beautiful and mesmerizing home furnishing and readymade garments. Further, we serve blankets that helps to suffice requirements of comfortable and soft furnishing items. Our stunning assortment consisting of Blanket Fabric, Designer Mink Blanket, Printed Polar Fleece Blanket, etc., help us cater the customers as per their expectations.
